

Wish List

Horses Spirits Healing, Inc

This steer head roping dummy easily attaches to a hay bale, allowing participants to easily practice their roping skills.

A horse soccer ball can be summed up in one word: FUN! Both horse and participant can engage in playful exercises together.

Equine riding helmets are essential to ensure our participant's safety while horseback. As helmets begin to wear and tear it is

A transfer belt or gait belt enables instructors and volunteers to safely aid participants in exercises such as standing or walking.

Peacock stirrups, also called rubber band stirrups, and their accompanying leathers are used as a safe alternative to traditional stirrups, in case of an emergency, participants can easily remove their foot.

Break away western stirrups offer a safe alternative to traditional stirrups, in case of an emergency, participants can easily remove their foot without getting hung up.

In order to ensure safety, our participants are encouraged to wear cowboy boots. We strive to offer boots to our participant who do not have access to cowboy boots.

Leather gloves are essential to protecting the hands of our participants, especially those who work with lunge lines and ropes.

How You Can Help

Horses Spirits Healing, Inc. operates solely on the generosity of those who believe in our mission of, "Heroes Achieving Results with Horses, Heart, Spirit and Respect".

Throughout the course of time we often find ourselves seeking new equipment to enhance the experience of our participants. With your help we can ensure that everyone, including our participants, volunteers, instructors, and horses have the tools and equipment needed to achieve the best experience possible. We are seeking cash and/or check donations in order to acquire our wishlist. Thank you for your contribution!
